By Ron Partridge, Sr. Account Manager, Kynar®

9:15AM to 9:45AM Kynar 500® Weathering Presentation  
By Vince Casmirri, Regional Marketing Manager, Kynar®

*Arkema will review in more detail the chemistry, performance, specifications, application methods and other aspects of KYNAR 500® including Arkema's unparalleled history with Kynar 500®, the strength of its brand, the global licensing program and our commitment to the environment and future expansion.*

9:45AM to 10:00AM Break

10:00AM to 10:45AM Use of Water-Based Coatings for Sustainable Design  
AIA/CES Course Module, 1 LU, SD, HSW  
By Ron Partridge, Sr. Account Manager, Kynar®

10:45AM to 11:30PM NeverFade® Façade Restoration Coatings with Kynar Aquatec®  
Know the Difference: Not All High Performance Coatings are Created Equal  
By Lon Bauer, Senior Product Development Chemist, APV Engineered Coatings

*NeverFade® Façade Restoration Coatings are a line of high performance systems that were engineered to withstand harsh outdoor environments with a lifecycle unlike other high performance coatings in the architectural market. As an engineer, facility manager, owner's representation, inspector or expert in coating restoration, it's important to know your manufacturer and understand a coating's true service life from a chemical composition standpoint to use and application.*

11:30AM to 12:30PM Tour of Atlas Material Testing Facility – George Rivera, Atlas

## Afternoon:

12:30PM to 1:30PM Lunch by Bill Hansen Luxury Catering

1:30PM to 2:20PM Hybrid Technology Formulated Sealants for the Commercial Construction Market  
AIA/CES Course Module by Bostik 1 LU
